## **MSCSI CHAPTER CODE OF ETHICS**

Believing that honesty and integrity, high ideals and concerns for the welfare of the construction industry are both desirable and necessary, and in a sincere effort to promote the objectives of the Institute, members of CSI pledge themselves to:

1. Establish and maintain high standards of professional conduct.
2. Freely interchange information and experience with members of the construction community.
3. Maintain confidentiality of privileged information.
4. Avoid conflicts of interest.
5. Avoid misrepresentation of products and services.
6. Promote improvement of communications, techniques, and procedures.
